THOUGHTS

Time flies

Its up to you to be the Navigator.

If you don't think every day is a good day just try missing one!!!

A message from Tina..

Wow where did that year go!!! Seems like only yesterday I was writing the 2009 Christmas newsletter and here we are again preparing ourselves for another season of festivities.

Since our last newsletter we have had a few more people join our team at Hygiene House.

Leah Thomas joined our Customer Services team in September, Leah comes from a medical background vastly different from her current role but has quickly adapted to her position here at Hygiene House. Leah has taken over the role as Co-ordinator and Gwen who is well known to many of you has now moved into the role of Sales Co-ordinator and is proving to be of great assistance in helping the sales team.

Sadly, our wonderful driver/installer Stafford has finally decided to retire to Rotorua. Stafford has been a great asset to Hygiene House and I know has built up a great rapport with our customers and staff alike—he will be missed. Fortunately we have Wayne who is very keen to take over this role and we know you will enjoy meeting him on his travels. We also welcomed Rob Puddy to the warehouse team to replace Wayne earlier this month.

May we take this opportunity to thank each and every one of you for your continued custom during 2010 and wish you and your families all a very Happy Christmas and a New Year that is blessed with good health and happiness. Stay safe.

Merry Christmas from us all at Hygiene House.

NEW WET WIPES—COMING SUMMER 2011

Available in the New Year, we will be adding a new cost saver wet wipe to compliment our popular wet wipe and dry wipe range.

With 80 wipes per pack, and a re-sealable strip, you can rest assured you will be buying Hygiene House quality, at supermarket prices.
